- This is a voluntary gift exchange; if you bring a gift, you will receive a raffle ticket indicating that you will receive a gift
- Gift is to be new and cost is NTE \$10
- Gift to be wrapped and anonymously given; please do not provide any gender identification of who would like the gift or indicate what the wrapped gift is
- A gift table will be set-up where you will bring your gift and receive your raffle ticket.
- Gifts can be ONLY be VIEWED; Gifts cannot be touched, shaken, poked, lifted, licked, smelled, prodded or any other attempts made to learn what the gift may be.
- At the exchange, the 1st raffle ticket will be drawn. The person with that ticket will have their choice of any gift on the table. **We will adhere to a 10 second selection rule! Once a gift is touched, that is the selected gift.** The gift will then be opened and shown so everyone can see what the gift is.
- Another raffle ticket will then be drawn. The person holding that ticket has 2 options: 1. “stealing” a previously opened gift (in this case of being the 2nd raffle ticket, only the 1st gift is available to steal), or 2. selecting a new, unwrapped gift. If a new, unwrapped gift is selected, the gift will be opened and shown. Once 1 of the options is selected and carried out, that is the end of their turn.
- If a gift is stolen, the **only option available** to the person who had their gift stolen is to select a new, unwrapped gift. The gift would then be opened and shown.
- A “stolen” gift can only be “stolen” 2 X. At the 2nd steal, it will be considered out of play
- Raffle tickets will continue to be drawn with the holder having their choice of the 2 options as indicated above.
